All participants (applicant, applicant's representative, PTO personnel):

(1) John S. Hilten (3) \_\_\_\_\_

(2) Bob Falk (4) \_\_\_\_\_

Date of Interview Jul 3, 2000

Type: ☒ Telephonic ☐ Personal (copy is given to ☐ applicant ☐ applicant's representative).

Exhibit shown or demonstration conducted: ☒ Yes ☐ No. If yes, brief description:

Letter of 6/6/2000 office action showing a 6/7/2000 mail stamp.

Agreement ☒ was reached. ☐ was not reached.

Claim(s) discussed: None

Identification of prior art discussed:

None

Description of the general nature of what was agreed to if an agreement was reached, or any other comments:

The mail date concerns of MR. Falk were discussed. Per MPEP 710.06, the response date should be one month from 6/7/2000 not 6/6/2000.

(A fuller description, if necessary, and a copy of the amendments, if available, which the examiner agreed would render the claims allowable must be attached. Also, where no copy of the amendments which would render the claims allowable is available, a summary thereof must be attached.)

1. ☐ It is not necessary for applicant to provide a separate record of the substance of the interview.

Unless the paragraph above has been checked to indicate to the contrary, A FORMAL WRITTEN RESPONSE TO THE LAST OFFICE ACTION IS NOT WAIVED AND MUST INCLUDE THE SUBSTANCE OF THE INTERVIEW. (See MPEP Section 713.04). If a response to the last Office action has already been filed, APPLICANT IS GIVEN ONE MONTH FROM THIS INTERVIEW DATE TO FILE A STATEMENT OF THE SUBSTANCE OF THE INTERVIEW.

2. ☐ Since the Examiner's interview summary above (including any attachments) reflects a complete response to each of the objections, rejections and requirements that may be present in the last Office action, and since the claims are now allowable, this completed form is considered to fulfill the response requirements of the last Office action. Applicant is not relieved from providing a separate record of the interview unless box 1 above is also checked.

Our File: WILL 2501

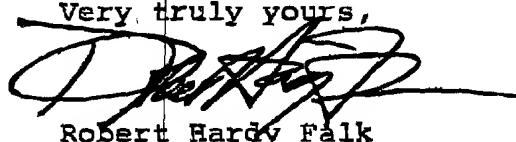

Dear John:

Confirming our telephone conversation this morning, please extend the time to response to the outstanding office action one day to July 7, 2000. The mail stamp on the office action was wrong, it was actually mailed June 7, 2000, not June 6, 2000. Please fax the extension to 972-716-9532 and 214 969 5941.

Second, as requested by Steven Funk, we are supplementing our response of April 7, 2000 with exhibit and declaration testimony from Ray Prince, as well as a declaration as to derivation of reissue applicants adversaries from reissue applicants and Rule 131 testimony as well. This will all be sent in this week. Expert Ray Prince is available July 12, 13, 14 or July 17, 18 or 19 or August 1. See how this fits in with your schedule and Steve Funk's schedule, O.K.? Please call me back at 214 695-3402 or 972 716 9544.

Third, you need to keep this file secure. The papers filed confidentially under the petition to expunge were obtained by our adversaries in the litigation by mid-April 2000 without Court order, or from us, or PTO order. Worse, the last office action mailed February 9, 2000 to us, dated falsely February 8, 2000, was in their hands by February 11, 2000, before we had received it. I want to know answers to a number of questions, not the least of which is how the adversaries got ahold of this action immediately after it was mailed.

Very truly yours,

Robert Hardy Falk

Enclosures.

Dear Ms. Hodge-Taylor:

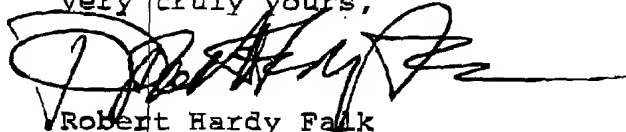

Enclosed is a copy of the letter I spoke of that was faxed to Mr. Hilten on Monday. I was under the impression that he was going to fax to me an extension late Monday or early today. Today I could not reach him.

The office action of June 6 was clearly mailed June 7. According to the rules and the MPEP, I am entitled to at least another day. Take care and correct my address for correspondence (the office action of June 6, nee June 7, was misaddressed):

Re: Davis et. al. Serial No. 09/315,796  
Our File: WILL 2501

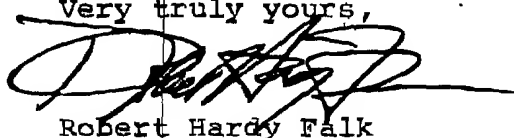

Dear John:

Confirming our telephone conversation this morning, please extend the time to response to the outstanding office action one day to July 7, 2000. The mail stamp on the office action was wrong, it was actually mailed June 7, 2000, not June 6, 2000. Please fax the extension to 972-716-9532 and 214 969 5941.

Second, as requested by Steven Funk, we are supplementing our response of April 7, 2000 with exhibit and declaration testimony from Ray Prince, as well as a declaration as to derivation of reissue applicants adversaries from reissue applicants and Rule 131 testimony as well. This will all be sent in this week. Expert Ray Prince is available July 12, 13, 14 or July 17, 18 or 19 or August 1. See how this fits in with your schedule and Steve Funk's schedule, O.K.? Please call me back at 214 695-3402 or 972 716 9544.

Third, you need to keep this file secure. The papers filed confidentially under the petition to expunge were obtained by our adversaries in the litigation by mid-April 2000 without Court order, or from us, or PTO order. Worse, the last office action mailed February 9, 2000 to us, dated falsely February 8, 2000, was in their hands by February 11, 2000, before we had received it. I want to know answers to a number of questions, not the least of which is how the adversaries got ahold of this action immediately after it was mailed.

Very truly yours,

Robert Hardy Falk

Enclosures.

p.s.: My post office box is Box 794748, not 794948 as on the office action. Get your clerk to get it right.

Confirming our telephone conversation this morning, please extend the time to response to the outstanding office action one day to July 7, 2000. The mail stamp on the office action was wrong, it was actually mailed June 7, 2000, not June 6, 2000. Please fax the extension to 972-716-9532 and 214 969 5941.

Second, as requested by Steven Funk, we are supplementing our response of April 7, 2000 with exhibit and declaration testimony from Ray Prince, as well as a declaration as to derivation of reissue applicants adversaries from reissue applicants and Rule 131 testimony as well. This will all be sent in this week. Expert Ray Prince is available July 12, 13, 14 or July 17, 18 or 19 or August 1. See how this fits in with your schedule and Steve Funk's schedule, O.K.? Please call me back at 214 695-3402 or 972 716 9544.

Third, you need to keep this file secure. The papers filed confidentially under the petition to expunge were obtained by our adversaries in the litigation by mid-April 2000 without Court order, or from us, or PTO order. Worse, the last office action mailed February 9, 2000 to us, dated falsely February 8, 2000, was in their hands by February 11, 2000, before we had received it. I want to know answers to a number of questions, not the least of which is how the adversaries got ahold of this action immediately after it was mailed.

Very truly yours,

Robert Hardy Falk

Dear John:

I tried several times to reach you after the holiday, yesterday, and was unsuccessful. Linda Hodge-Taylor granted the one-day extension, and unless I hear from you immediately, I will assume you or in accord. My secretary has an intestinal problem and had almost had to go to the hospital. Enclosed are my correspondence with her.

I need from you the dates you and Mr. Funk are available for the continuation of the interview. We gave you Mr. Prince's available dates, in our last correspondence, attached.

Very truly yours,

Dear Ms. Hodge-Taylor:

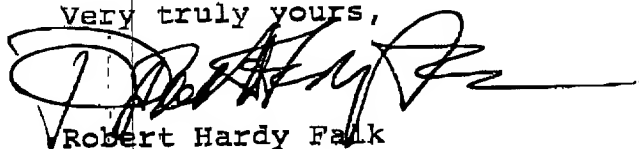

Enclosed is a copy of the letter I spoke of that was faxed to Mr. Hiltner on Monday. I was under the impression that he was going to fax to me an extension late Monday or early today. Today I could not reach him.

The office action of June 6 was clearly mailed June 7. According to the rules and the MPEP, I am entitled to at least another day. Take care and correct my address for correspondence (the office action of June 6, not June 7, was misaddressed):
